I am participating in the GuLF STUDY, a study of the health effects of the 2010 Deepwater Horizon oil spill. I authorize and request that you provide the GuLF STUDY with copies of pathology reports that pertain to my cancer diagnosis. **The study is requesting records from April 1, 2010 to the present date.**

The Health Insurance Portability and Accountability Act of 1996 (HIPAA) prohibits you from releasing my information without my authorization. This form gives you my authorization. I understand that my decision to sign or not to sign the form will have no effect on my eligibility for treatment, payment, or enrollment. There may be sensitive information in my medical records. The study may see that information but will not use it.

Once my information is released to the study, it is no longer covered by HIPAA, but is covered by the Public Health Service Act, which prohibits the release of information that would identify me or my medical providers outside the sponsoring agency and its contractors without my permission or that of my medical providers.

I authorize the study to use information I have given to help you identify my records. I can revoke this authorization at any time by contacting a study representative in writing or by telephone at the address and telephone number listed below. I can also revoke this authorization by notifying the health care facility medical records department in writing. I have received a copy of this authorization form.
